The Nebraska Water Environment Association would like to offer you four opportunities to support the Education Fund of the NWEA.

1. Put together any number of teams (4 players per team) to play in the NWEA Golf Outing, or sponsor a team or players.

Ten dollars of the \$90/person entry fee will go to the NWEA's education fund. Thirty-six teams constitute a full field for the outing and your presence there is what has made prior outings a success. The NWEA hopes you can be in the "field" this year.

2. Make a tax deductible donation of any amount to the NWEA. Belong to the "Big Hitters" club and give a donation of \$100. Send donations payable to the Nebraska Water Environment Association to:

**Scott Bundy

3. Donate whatever you would like to be given away as door prizes. The prizes do not have to be golf related. Bring the donated prizes the day of the golf outing or send to Scott Bundy at the address listed above.

4. Do all three!

Thanks for your participation and support of the NWEA Education Fund.
