RE: Icebreaker – 2019, 63rd Annual Great Plains Waste Management Conference
Embassy Suites La Vista Convention Center – La Vista, Nebraska
Wednesday, April 17, 2019 5:00–7:00 p.m.

Dear Friends of the NWEA, SWANA and APWA:

The 2019 Great Plains Waste Management Conference is quickly approaching. Once again, the Great Plains conference committee is planning on an evening Icebreaker. Following the NWEA presentations on Wednesday, April 17th, there will be a hosted Icebreaker from 5:00–7:00 p.m. This event is designed to allow participants of the conference to network in a casual atmosphere.

To defray a portion of the cost for appetizers and beverages, we offer three levels of sponsorship this year. We do encourage our sponsors to sign up and attend the conference, however conference registration is not necessary for sponsorship and attendance at the Icebreaker. Please note that none of the levels below include conference registration, nor does it include drink tickets at the Icebreaker event. Two drink tickets will be provided to each conference registrant.

Bronze Sponsorship: \$50.00

Your company will have its name listed on a board that will be shown just outside the door to the Icebreaker event on Wednesday evening. No logo is included in this option.

Silver Sponsorship: \$150.00

Your company will have its name and logo (send digital logo to scott.bundy@hdrinc.com) presented on a board that will be shown just outside the door to the Icebreaker event on Wednesday evening as well as on two additional boards located inside the Icebreaker near the food and refreshments. You will be noted as a Silver level sponsor.

Gold Sponsorship: \$250.00

In addition to the sponsorship included in the Silver sponsorship level, your company will have its name and logo (send digital logo to scott.bundy@hdrinc.com) presented on a board that will be shown near the coffee and refreshment breaks during the conference on both Wednesday and Thursday. Only the Gold level sponsors will have their logos presented on Thursday of the conference. You will be noted as a Gold level sponsor.

In order for the committee to make the best possible arrangements, we are asking that you respond quickly. Please return the enclosed form with your check to Scott Bundy as soon as possible. You also now have the option to register as a sponsor electronically through the NWEA website at www.nebwea.org.

HDR will be coordinating the preparation and printing of the display boards. For Silver and Gold level sponsors, please arrange to have your digital logo file provided to Scott Bundy of HDR at scott.bundy@hdrinc.com. If you have any questions, please feel free to contact Scott at 402.399.1357.

Thank you for your assistance,

Great Plains Waste Management Conference Committee
